

## Retail Product Listing 2017

*Continuing in our proud tradition, the Ebels family is dedicated to offering great-quality meats as well as excellent customer service. Five generations of our family have operated the business since 1920, beginning with delivery by horse-drawn cart to local homes and restaurants. Since then, our reputation has grown for meat butchery, as well as naturally smoked meats through our Little Town Jerky brand. Our fine meats come from a family-owned and federally inspected facility, adding a layer of trust with our ever-growing customer base. We invite you to try and enjoy our products.*

PURE MICHIGAN®
